Here at the **Clachan Grill**, our team works hard to ensure that we can provide our guests with a taste of Scotland through our cooking and produce. We are proud to use many Scottish and more importantly local suppliers.

PROVENANCE

Cheese

Our cheeses come from all over Scotland. Some of our hard cheeses come from just over 1 mile away at the **Cambus o'May Cheese co**, and other cheeses coming from **Tain, Isle of Mull and Arran**. All this goes to ensuring that our cheese selection is 100% Scottish

Fish & Shellfish

All of our fish and shellfish is provided by **Blue Flag Seafoods**, based in **Aberdeen**, who work directly from the markets at **Peterhead**.

Vegetables, Herbs & Dairy

We often have access to local produce at the **Deeside deli shop**, a couple of minutes' walk from the restaurant. With the changing season we often update our menu to keep up with produce coming into its best season. All of our dairy products come from Scotland also with our butter, milk and cream all come from **Grahams dairy**.

Beef, Lamb, Pork, Chicken & Game

We are proud to use **Neil Menzies Butchers**, based in **Braemar**, which uses 100% Scotch Beef and mostly from local farms to the shop itself. They also work with the local shooting estates to provide us with game meats, often shot to order. Working with Neil Menzies, gives us full traceability for all our meat.
